

10th ECCRIA – Programme Overview (provisional)

Monday, 15th September

08.30	Arrival and registration	
09.15-09.55	Opening session	
09.15-09.25	Welcome from University of Hull	
09.25-09.55	Keynote address	
	Track A Allam Lecture Theatre	Track B Seminar Room 5
10.00-11.20	Session 1A: CO₂ capture technology	Session 1B: Gasification 1
11:20-11:45	Break	
11:45-13:05	Session 2A: Modelling of oxy-fuel and CCS	Session 2B: Torrefaction of biomass
13:05-14:20	Lunch	
14:20-16:00	Session 3A: CO₂ capture, modeling aspects	Session 3B: Coal-derived products 1
16:00-16:30	Break	
16:30-19:30	Poster session and buffet Derwent Café	

Tuesday, 16th September

	Track A Allam Lecture Theatre	Track B Seminar Room 5
09.00-10.20	Session 4A: Flow measurement	Session 4B: Low rank and brown coals
10.20-10.45	Break	
10.45-12.25	Session 5A: Characterisation	Session 5B: Boilers and combustion
12.25-13.40	Lunch	
13.40-15.00	Session 6A: Oxy-fuel combustion	Session 6B: Emissions
15.00-15.25	Break	
15.25-16.45	Session 7A: Biomass 1	Session 7B: Coal-derived products 2
19.00-22.30	Conference dinner at the Guild Hall	

Wednesday, 17th September

	Track A Allam Lecture Theatre	Track B Seminar Room 5
09.00-10.40	Session 8A: Ash, trace elements and deposition	Session 8B: Pyrolysis, UCG and liquefaction
10.40-11.05	Break	
11.05-12.45	Session 9A: Biomass 2	Session 9B: IGCC and gas turbines
12.45-13.00	Close	
13.00-14.30	Lunch
